# EXPRESSIONS *Glitter*

INTRODUCING the Expressions Glitter Coffin. A new way to personalise any funeral. Mix and match from a range of colour choices, by painting the coffin a particular colour, or leaving it in its natural wood. A glitter panel can then be added onto the side panel creating a visually stunning piece of art. Follow the simple steps below.

## The Coffin

The Expressions coffin is based on our current Whitby; An oak veneer style coffin with veneered matching moulds and a half round mould on the lid and sides.

Oak Veneer

## Step 1 - Leave your coffin natural or paint it any colour

The coffin can either be kept in its natural colour, with just the glitter panel added OR any customised colour can be achieved from the Dulux range. We can take a sample into our nearby Dulux colour centre for them to produce a colour that closely matches. For ease of ordering, colour reference may be made using the Dulux colour chart. Any colour can be matched (more colours can be found at [www.dulux.co.uk](http://www.dulux.co.uk)).
